

Global Dental Accident and Emergency Scheme

Request for Assistance Form for Dental Treatment Following an Accident

The Global Dental Accident and Emergency Scheme is a wholly discretionary scheme, not an insured scheme. It is funded by your dental plan to pay benefits at the sole and absolute discretion of the Scheme administrators. Dental plan patients are eligible to request assistance from the Scheme in the event of dental treatment following an accident. The Scheme responds to such requests on a wholly discretionary basis. This means that, whilst the Scheme aims to provide benefits in most cases, the Scheme has no obligation to provide any benefit unless the Scheme administrators decide that the Scheme should provide a benefit.

This Request for Assistance Form should be completed to request assistance under section 3 (Dental Treatment Following an Accident) of the Scheme Rules. If your request for assistance falls under another section of the Global Dental Accident and Emergency Scheme, please complete the specific Request for Assistance Form accordingly, available from your registered dental practice, or at www.globaldentalscheme.co.uk

How to complete and submit your Request for Assistance Form

Please complete all sections and write clearly in BLOCK CAPITALS using black or blue ink. Please provide as much information as possible to ensure your Request for Assistance is processed efficiently and promptly.

You must have sought treatment following an accident within 7 days of the incident. This form, countersigned by the treating dentist, should be sent to the Scheme Manager at Global Dental Scheme Limited within 30 days of the accident (60 days if the incident occurs overseas). Costs or fixed benefits will be reimbursed up to the limits shown in the Scheme Rules. Any amount which exceeds the specified limit must be paid directly by you to the treating dentist. You must provide all necessary reports, receipts and other documentation in support of the request when asked to do so.

Reference to the Scheme Rules will assist you in completing this form. If you have any questions regarding making a Request for Assistance please contact your dental practice, or call the Request for Assistance helpline on 0333 3580 499.
